COVID-19 Update: Prince George's County Remains in Phase One of Reopening

Dear Prince Georgians:

With the Governor's announcement on Wednesday, June 3 concerning a phase two reopening for the State of Maryland, I wanted to reach out to provide an update on our plans in Prince George's County. After just beginning an incremental phase one this past Monday, Prince George's County is not yet ready to move to phase two.

Our medical professionals need more time to track the data and ensure our trends continue to decline. We will rely on the science and data to determine when it is safe to move to phase two. However, the County's metrics are trending in a positive direction and Prince George's could potentially begin a modified phase two on June 15, 2020. The decision will be made in consultation with our Chief Health Officer who continues to monitor the County's

health data, including [continued downward trends](#) in the number of COVID-19 deaths and hospitalizations. We will be sure to provide an update to our community next week.

We have already shared information on our modified phase one reopening with the community, but we are including that information below as a reminder for our residents and businesses. I also want to remind everyone that, even during this modified phase one reopening, we must continue to take certain actions to keep ourselves and others safe. Please remember to wear a face covering, practice physical distancing (at least 6 feet of distance between yourself and others) and wash your hands often with soap and water.

While COVID-19 has been on our minds for the past few months, over the past week I know many of you have been concerned, frustrated and angry about the death of George Floyd. Earlier this week, I sent out my statement on the death of George Floyd and the protests we are seeing across our nation. If you missed that statement, I encourage you to [read it here](#).

After we sent out that statement, that very same afternoon, I was made aware of a video about an incident in Langley Park. Many of you may have seen this video of two Prince George's County Police Officers trying to handcuff a Latino man, with one of the officers kicking the man as he was already on the ground. We took immediate action, suspending both of these officers, as well as their immediate supervisor. We are also referring these cases to the State's Attorney's Office.

Some in our community have expressed concern that we should have done more and fired these officers, and I completely agree. However, there are State laws currently in place, through the Police Bill of Rights, that prevented us from taking further action. It is time that we revisit these laws so we are able to better hold our police officers accountable when they do wrong. I am committed to working on this issue with our State delegation and State leadership.

On Tuesday, June 2, we held a Day of Prayer in our County to pray for healing, justice and hope. I want to thank all of our faith leaders and all of our residents who joined our Day of Prayer. Then, on Wednesday, June 3, we held a [virtual town hall](#) on policing in Prince George's County and America, along with special guest panelist Judge Greg Mathis. I want to thank all of our residents who tuned in and submitted their questions and concerns. We are committed to not just dialogue, but true actions on police reform in Prince George's County.

We are already equipping all of our officers with body cameras, but we will not stop there. I have decided that we will create a police reform committee, which will be tasked with providing recommendations on legislation we can introduce at the local level. We will include a robust group of individuals and community activists on this committee, including our youth. We will provide further updates on this initiative as we finalize our plans.

I want you to know that, as your County Executive, I am committed to your health and safety. That includes safety from COVID-19 and safety from acts of abuse and violence from public safety officials who have sworn an oath to protect our community. Right now, there is a true crisis in our nation. However, in Prince George's County, we are confronting these issues head on. We will not stop until COVID-19 has left our community and we can rebuild our County stronger than it has ever been before. We will not stop until every man, woman and child feels safe in our streets and in their homes.

Working together, we can build an even stronger Prince George's County with opportunities, equality and justice for every Prince Georgian.

Yours in service,

COVID-19 Updates

Modified Phase One Reopening Reminders

COVID-19 (Coronavirus) Prince George's County Modified Phase One Reopening

The Stay-At-Home Order will be lifted for Prince George's County
JUNE 1, 2020.

We are encouraging all residents to continue to stay home as much as possible and use good judgment.

What is Now Open with Modifications:

What Remains CLOSED/Activities not Permitted:

- Nail salons
- Pools
- Contact sports such as basketball or soccer
- Playgrounds
- Fitness centers
- County Government buildings
- Theaters
- Gatherings of more than 10 people

On Monday, June 1, Prince George's County began our modified phase one reopening. While the Stay-At-Home Order has been lifted, residents should continue to stay home as

much as possible. Retail establishments are able to operate with curbside pickup only, restaurants may now offer outdoor dining in addition to take-out and delivery options, and salons and barbershops are able to provide hair services by appointment only with other restrictions in place. To learn more about what businesses can reopen during the modified phase one opening, please [visit our website](#).

What is Contact Tracing?

Contact tracing is a tool that health workers use to stop the spread of a disease. We are in the process of training new contact tracers to work with our Health Department to help stop the spread of COVID-19 in our community. If you receive a call that appears on your caller ID as "MD COVID," it is one of our contact tracers reaching out. Please answer and take this call seriously. The head of our contact tracing operations, Angela Crankfield-Edmond, has some important information on what you should expect if a contact tracer reaches out to you. [Watch our video here](#).

Modified Bulky Trash Services Resume

KICK-OFF of REOPENING BULKY TRASH

DROP-OFF LOCATIONS

Saturday
JUNE 6 8 a.m. - noon

Prince George's County residents, get rid of your residential bulky trash like furniture, mattresses and carpet!

Visit environment.mypgc.us for a complete schedule of drop-off locations. Residents can bring up to eight (8) items for disposal. **NO household hazardous waste or electronics will be accepted.**

DISTRICT 1: Park & Ride Lot | 13701 Laurel Bowie Rd, Laurel

DISTRICT 2: NW Branch Stream Valley Park | 8001 West Park Drive, Hyattsville

DISTRICT 3: College Park Community Center | 5051 Pierce Avenue, College Park

DISTRICT 4: Bowie Park & Ride | 4400 Colington Rd, Bowie

DISTRICT 5: New Carrollton Metro Park & Ride | 4820 Garden City Drive, Hyattsville

DISTRICT 6: Brown Station Road Sanitary Landfill | 11611 White House Road, Upper Marlboro

DISTRICT 7: Spaulding Branch Library | 5811 Old Silver Hill Rd, District Heights

DISTRICT 8: Indian Head Park & Ride | 6600 Indian Head Hwy, Oxon Hill

DISTRICT 9: Clinton Park & Ride | 9000 Stuart Lane, Clinton

We are excited to announce that modified bulky trash services will be available for our residents. On Saturday, June 6, from 8:00 AM until noon, we will host a kick-off event for residents to bring their bulk trash items (up to eight) to one of nine drop-off locations throughout the County. Beginning Thursday, June 11, we will move to a modified bulk trash drop-off service. A number of drop-off sites will be available on a biweekly, rotating basis.

[Household Hazardous Waste](#) and [Electronics Recycling Acceptance Sites](#) located within the [Brown Station Road Sanitary Landfill \(BSRSL\)](#) in Upper Marlboro will return to regular service on June 11, and will be open on Thursdays, Fridays, and Saturdays from 8:00 AM – 3:30 PM.

Residents may bring up to eight (8) bulky trash items for disposal at all modified drop-off locations. For a list of [accepted](#) items, [frequently asked questions](#) and a complete [schedule of drop-off locations](#), visit environment.mypgc.us.

Please note, due to COVID-19 restrictions, County employees **are not** allowed to assist, handle, or touch any bulky trash items brought to the sites. Therefore, residents must be

able to independently lift and place their items in the back of the packer truck for disposal and are encouraged to bring an extra person should they require assistance.

Curbside residential bulky trash will resume at a later date, and we will share that information with our community. Visit environment.mypgc.us for the complete schedule of drop-off locations and for more information.

IMPORTANT NOTICE REGARDING RESIDENTIAL WASTE SERVICE UPDATES

RESIDENTIAL BULKY TRASH, HOUSEHOLD HAZARDOUS WASTE AND ELECTRONICS RECYCLING COLLECTION

KICK-OFF for Modified Residential Bulky Trash Drop-off Service

The Kick-off for Modified Residential Bulky Trash Drop-off Service is Saturday, June 6, 2020, 8 a.m. – noon at various locations. Residents can bring up to eight (8) items for disposal. Visit environment.mypgc.us for a complete list of locations and to view a list of acceptable and non-acceptable items. Drop-off sites operate rain or shine. NO household hazardous waste or electronics recycling will be accepted.

Saturday
June 6, 2020
8 a.m. - noon

Various Locations

PHASE 1

BEGINNING JUNE 11:

The Department of the Environment will operate modified, biweekly residential bulky trash drop-off collection sites in the nine (9) Councilmanic Districts.

The Household Hazardous Waste and Electronics Recycling Acceptance Sites reopen at the Brown Station Road Sanitary Landfill. Sites are open on Thursdays, Fridays, and Saturdays only from 8 a.m. – 3:30 pm. Visit environment.mypgc.us for a list of acceptable items.

Due to COVID-19 restrictions, County staff are not allowed to assist, handle, or touch any bulky trash items. Residents must be able to independently lift and place their bulky trash items in the back of the packer truck. You are strongly encouraged to bring an extra person should you require assistance. There will be **no exceptions** to this guideline.

PHASE 2

Plans are underway for the reinstatement of curbside bulky trash services. Details will be posted online at environment.mypgc.us when available.

Restaurant Concierge Portal for Outdoor Seating Permits

MODIFIED PHASE I

PRINCE GEORGE'S COUNTY REOPENING

How to Seek Approval for Expanded Outdoor Table Service Seating

The modified Phase I Prince George's County reopening plan allows qualified restaurants to reopen on June 1, 2020, with outdoor seating with a **Restaurant Temporary Outdoor Seating Area (RTOSA) Permit**.

Tables are required to be spaced six feet apart and the seating area must be separated from the sidewalk or street by a three-foot barrier. Wheelchair access and restroom facilities must be provided.

If a restaurant already has approval in place for outdoor table service, they do not need to seek further approvals unless they wish to expand beyond existing parameters.

For more information and to apply for a permit, visit: dpie.mypgc.us/OutdoorSeating

Step 1: Complete Required Documents

Step 2: Submit All Documents Online

Prince George's County has established a process geared to helping qualified restaurants resume limited dining operations as part of the modified phase one reopening. The Department of Permitting, Inspections and Enforcement has been charged with implementing a Restaurant Temporary Outdoor Seating Area (RTOSA) Permit, effective June 1, 2020, to allow restaurants to serve customers in permitted outdoor seating areas.

The permit requires seating to be spaced at least six feet apart. Restrooms must be available. Restaurants must be in compliance with ADA and applicable County, State and International codes. Restaurants with a current Use and Occupancy Permit (U&O) may apply. Those with U&Os that allow outdoor seating areas may implement outdoor dining utilizing appropriate mandated social distancing requirements without the RTOSA Permit.

For more information and to complete an application, please [click here](#).

HOUSTON · DALLAS · AUSTIN · NEW YORK CITY · WASHINGTON, D.C. · SOUTHWEST FLORIDA

WWW.BRIGHTERBITES.ORG

Brighter Bites and Coastal Sunbelt Produce are hosting weekly produce distributions every Tuesday, Thursday and Saturday from May 16 to June 30. Locations and times for Prince George's County are noted in the graphic above. For more information, please visit the [Brighter Bites website](http://BrighterBites.org).

Reminder: COVID-19 Testing

COVID-19 testing is available to County residents through our Health Department by appointment only. This test is free for all residents, regardless of insurance coverage. If you are feeling unwell and believe you may need a COVID-19 test, please call our COVID-19 hotline at 301-883-6627 for screening. Additionally, CVS Pharmacy is now offering COVID-19 testing at six locations throughout Prince George's County. Please visit [our website](#) for more information on COVID-19 testing.

County Government Updates

June is Flood Awareness Month

Angela D. Ablesbrooks
County Executive

DEPARTMENT OF THE
ENVIRONMENT
Joseph P. Gill | Director

Be FloodSmart

Floods
are the nation's most common and costly
natural disaster and they can happen anytime...anywhere.
Floods occur in all 50 states and you can be a victim of flooding,
even if you live miles away from water. During Flood Awareness Month in Prince
George's County, learn more on what causes flooding and how to protect your home.

What causes flooding?

In just a few hours, hurricanes and summer thunderstorms can bring heavy rain, which can lead to severe flooding.

How do you protect your home?

1 Alert Prince George's

Whether you live in a high, moderate or low risk area, everyone is at risk for flooding. The County offers a notification service that sends you a text or email in the event of a major flood. To sign up, visit alert.mypgc.us. For additional floodplain information, contact Salmaan Babar at (301) 636-2060.

ALERT
PRINCE GEORGE'S
BE PREPARED • GET CONNECTED • STAY INFORMED

3 Make a flood plan

Know evacuation routes and keep important papers in a safe, waterproof place.

**Know if you live behind a
LEVEE**

It's important to understand the risk to life and property associated with residing behind levees located in the Anacostia Watershed. Residents who live behind levees are encouraged to understand their risks and prepare accordingly. To learn more, visit the Federal Emergency Management Agency (FEMA) Web site at www.fema.gov.

Source: www.floodsmart.gov

Source: "NFIP, A Real Estate Professional's Guide to Discussing Flood Insurance," FEMA P-2092, March 2020

2 Purchase flood insurance

Remember, most homeowners insurance does not cover floods. Flood insurance can be purchased through the National Flood Insurance Program, which offers Prince George's County residents up to a **25% discount**.

Just one inch of water in an average sized home can cause **\$25,000** worth of damage. **

Buy insurance before the water starts to rise!
It takes 30 days after purchasing flood insurance for the policy to go into effect.

CLAIMS

Over 20% of flood insurance claims come from moderate-to-low risk areas. **

4 Help prevent local flooding

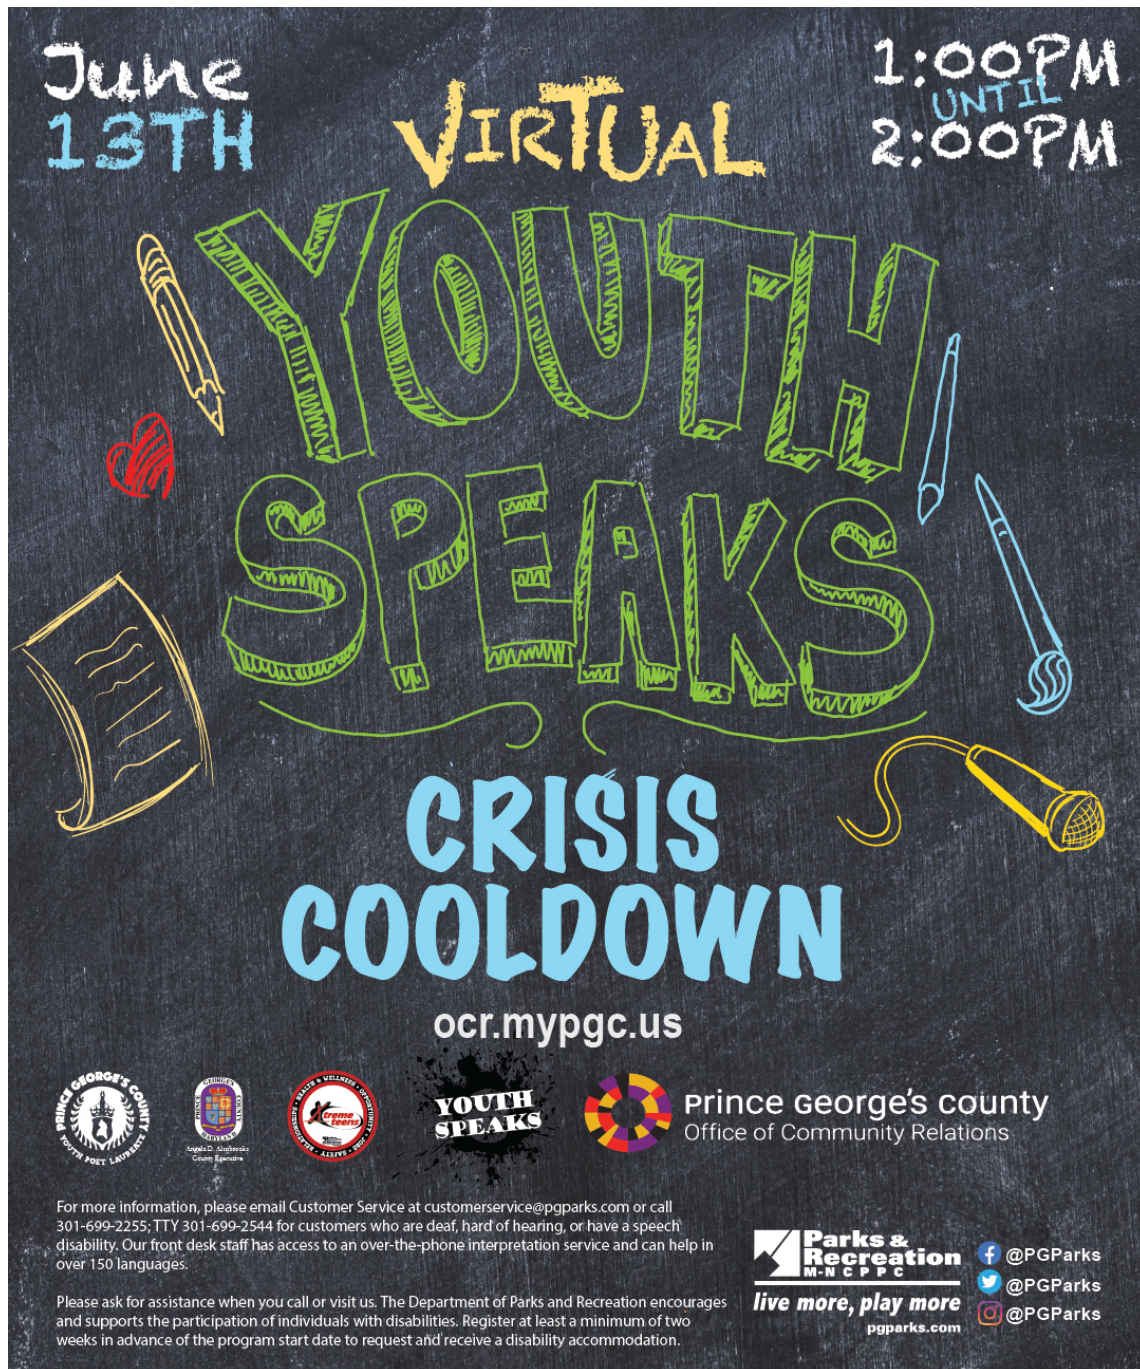

Keep trash and debris away from storm grates and inlets.

It's Flood Awareness Month in Prince George's County, and the Department of the Environment is sharing [flood prevention tips and information](#) to help County residents and business owners protect their homes, buildings, and personal belongings if flooding occurs. Our "[Be FloodSmart](#)" poster provides information on what causes flooding, how to prevent local flooding, and how to protect homes and businesses in the case of a flood. Visit [our website](#) for more information on flood management strategies.
