BID SUBMITTAL DEADLINE: May 1, 2017 at 4:00 p.m.

CONSTRUCTION TIME LIMIT: 60 CALENDAR DAYS

PROGRAM DESCRIPTION: The Suitland Model Blocks and Sustainable Streets program is designed to leverage other revitalization efforts in the Suitland community of Prince George’s County, including the Green Suitland Neighborhood Stabilization Initiative that acquires and substantially rehabilitates properties in Suitland; the County Executive’s Suitland Transforming Neighborhood Initiative; and the County’s Bradford Pear Tree Replacement Program. The Program’s objectives are to: improve the external appearance of Suitland area residential homes in order to enhance the attractiveness of the community; preserve and restore the architectural significance of the community; and encourage and support additional homeowner investment in Suitland.

PROJECT SCOPE: Each of the ten (10) properties cited above has a distinct Statement of Work (“SOW” or “Work”) – that reflects the unique needs of each individual homeowner – and that specifies the eligible exterior improvements that have been approved by the RDA for completion under the Suitland Model Blocks and Sustainable Streets. Bidders are to refer to the following documents that have been included in the ‘Dropbox’ account link, which stipulate the particular

scope of work for each individual property:

- the Bid Form, Exhibit 1, *Bidding Requirements*
- the Drawings and Specifications, Exhibit 2, *Contract Documents*;
- the Addenda, if any, Exhibit 3, *Contract Documents*; and,
- the Approved Façade Improvement Materials Selection Booklet for Homeowners, Exhibit 4, *Contract Documents*.

Rehabilitation of the 10 properties must be in compliance with:

- the International Residential Code (IRC) (latest edition 2015) and the International Building Code (IBC) (latest edition 2015); and,
- the approved Façade Improvement Materials Selection Booklet for Homeowners.
