The Prince George's County Department of Public Works and Transportation (DPW&T) has prepared a Bridge Alternative Feasibility study for the replacement of the Governors Bridge Road Bridge. Six possible alternatives have been developed and analyzed.

You are invited to attend a public information meeting on *Wednesday, October 17, 2018 from 6:30 p.m. to 9:00 p.m.* at the Comfort Inn Conference Hall (4500 Crain Highway, Bowie, MD 20716). At 7:00 p.m. Prince George's County DPW&T staff will conduct a formal presentation on the six possible alternatives. After the presentation, staff will be available to discuss any comments and answer any questions you may have. Maps and displays will provide additional project information.

Public input is a crucial part of determining which alternative is selected. We look forward to your participation.
