

## BIO

In 2014, Timothy Smith after careful research and consideration began the pursuit of a long term desire to become business owners in an industry where he could fulfill his entrepreneurial spirit while helping to cultivate and contribute to communities in the Washington DC Metropolitan area. The start of this journey is the establishment of Front Street Management, LLC (Herein referred to as “Front Street”).

Front Street was organized in the State of Maryland with the purpose of offering Community Management Services to Homeowners Associations and Condominiums.

Front Street is a full service community management company offering a comprehensive management solution which includes operations, accounting and finance, administrative, maintenance, contracts and project management.

Timothy Smith was a Vice President for Citigroup Technology Infrastructure serving all of North America. Timothy was responsible for a \$300M telecommunications’ budget servicing all Citibank branches and corporate locations in North America.

Timothy was employed by Citigroup for 25 years in various management positions. Timothy duties included managing a telecommunications staff located in the United States, Canada and Puerto Rico.

Timothy also serves on the Executive Trustee Board for one of the largest church in Washington, DC.

Timothy has been nominated to serve on the Prince Georges’ County Commission on Common Ownership. The purpose of this Commission is to ensure proper establishment and operation of homeowners’ association, condominium to promote education, public awareness and association membership understanding of rights and obligations of living in a common ownership community. In addition, reduce the number and divisiveness of disputes, and encourage informal resolution of disputes; maintain property values and quality of life in Common Ownership Communities.

Front Street Management strives to be one of the premier Homeowners Association Management companies in the Washington, DC metropolitan area. Community involvement is very important to Front Street. Our team keep active in various local and national organization including civic, political and faith based community relations.

Timothy is a member of the Community Association Institute; CAI supports effective state regulation that ensures community association housing is developed, maintained, governed, and managed with sound public objective and standards that protect homeowners, volunteer board members, management and community associations.

Timothy holds a Bachelor of Science in Business degree in Information Systems and a MBA in Business Management. Timothy studies in Leadership Development, Human Capital Management, Philosophy, Theology, and Economics has contributed significantly to his education and experience.

Timothy is married to Sherry Sanders-Smith and they have 3 children and 3 grandchildren. When he is not working, he loves to read, to travel and to learn.
