Re: Entertainment

Dear Licensees:

Effective June 15, 2020, modified Phase II allows restaurants to open at 50% capacity for indoor dining in accordance with the Center for Disease Control guidelines. In order to open in this capacity, the business must be considered a restaurant and serve food with the menu available. Under this modification, restaurants with Entertainment Permits are **NOT ALLOWED** to utilize them at this time. All forms of entertainment must cease until further notice.

Should you require any additional information, please feel free to contact our office at 301-583-9980.

Sincerely,

A handwritten signature in black ink that reads "Terence Sheppard".
