

**PRINCE GEORGE'S COUNTY MARYLAND
OFFICE OF FINANCE
ELECTRONIC DISBURSEMENT NOTICE**

Dear County Business Partner:

The County is pleased to announce an initiative to receive future invoice payments electronically through the Automated Clearing House (ACH) Payment System. Payments can be posted directly to your business bank account. Our Accounts Payable Section will e-mail a separate advice to detail the paid invoice(s) information and to confirm the transmission date so that you can update your financial records. The County reserves the right to reverse - without prior notice - any erroneous transmissions.

As mandated by PGC CB-74-2016, effective April 1, 2017, it is required for vendors to enroll in the Automated Clearing House (ACH) or a similar electronic payment system with the County. You must also bank with a financial institution capable of processing these electronic transfers.

To enroll in this new program, please complete the enclosed Authorization for Electronic Funds Disbursement form. After the validation and processing of your form is complete (approximately 60 days after receipt), you can expect electronic payments at the designated bank until you advise us in writing to stop payments. If you are currently enrolled in the ACH Payment System and seek to update your bank information, please complete a form requesting us to "STOP" the use of existing information and a separate form requesting us to "START" the use of updated information.

Keep a copy for your records and forward the original completed form to:
