Please review the following instructions prior to completing a new Beneficiary Form.

1. There are four spaces to designate primary beneficiaries and four spaces to designate contingent beneficiaries. However, it is not necessary to complete all the spaces provided. If you desire to name one primary beneficiary and one contingent beneficiary, you may do so by completing one block under “Primary Beneficiary” and one block under “Contingent Beneficiary.” Please note that Contingent Beneficiary(ies) are only eligible for benefits if **all** primary beneficiaries are deceased.
2. Beneficiaries need not be related to the member. **It is necessary**, however, that the **complete name** of the beneficiary be given; for example, designate “Mary Jones” not “Mrs. John Jones.” It is also necessary to indicate the **relationship**; for example, specify spouse, mother, brother, etc. and the **birth date** of the beneficiaries.
3. Minor children may be designated, but you cannot designate a Guardian for the minor children. The designation of a Guardian may be done through your will. At the time of your death, if minor children have been named on this Form, the Court will appoint a Guardian. A copy of the Court Order must be forwarded to the Benefits Administration Division before payment can be made.
4. The designation of “unborn children” or “children born of this marriage” is not acceptable. You may request a new Beneficiary Form to add another child to your beneficiaries. The full name of the child must be given.
5. If you do not desire to name a person, you may name “my estate.” You cannot designate an Executor or Administrator as a beneficiary. At the time of your death, if the estate has been designated to the Executor or Administrator, he or she must forward a copy of the Court Order of his/her appointment to the Benefits Administration Division. You may indicate in the space provided for the address, the person or place to contact concerning the administration of the estate.
6. If you are electing to designate an irrevocable trust, please contact the Benefits Administration Division for further instructions.
7. You may designate a charitable organization or church, but the complete corporate or legal name must be indicated.
8. **The total shares for each category must add up to 100%.** For example, with three primary beneficiaries, indicate 34%, 33% and 33% which totals to 100%. **You must use whole percentages – 33⅓% is not acceptable.**

Should you have any questions, please contact the Benefits Administration Division at (301) 883-6380 (press option 9) or 1-800-634-5231 (press number 2 for Benefits, and then option 9).
