The Honorable Angela Alsobrooks
Prince George's County Executive
Wayne K. Curry Administrative Building
1301 McCormick Drive Suite 400
Largo, MD 20774

Dear County Executive Alsobrooks:

The members of the Prince George's County Local Development Council (PGCLDC), on August 18, 2021, reviewed your recommendations for the FY 2022-2024 Local Impact Grant (LIG) Multi-Year Spending Plan, forwarded by the Prince George's County Council to the LDC pursuant to Section 10-309.02 of the County Code. After discussion and presentation, we unanimously voted to accept your recommendations.

However, as stated by Council Chair Calvin Hawkins, in his letter dated July 13, 2021, consideration of changes to CB-88-2015 is a must for numerous reasons outlined in his letter. The same concerns were echoed by former Chair Todd Tuner in an October 12, 2020 letter discussing transparency in how funds are used by the schools benefiting from Local Impact Grant funds. Past public comment has suggested separating VLT funds from the general fund to avoid commingling and grant greater assurance and transparency that funds are used appropriately.

The Members of the PGCLDC greatly appreciate the opportunity to serve you, our County, and community. We are available at your convenience should you have questions or seek clarifications.

Sincerely,

James Robinson
