Old Business

General Updates

- The general election will be held on Tuesday, November 8th. Early voting will be October 27th – November 3rd. The deadline to register or update voter information is October 18th.
- We received requests regarding a traffic study around the school. A traffic study cannot take place during active construction. We will work with the school to determine a more appropriate timeline.
- The Clear the Curb strategy is in full swing.
- The Department of the Environment is hosting a special event on Saturday, September 24th to dispose of electronics and household hazardous waste items.
- Growing Green with Pride event on Saturday, October 15th from 8am – 12pm

New Business

Introduction of DPW&T Acting Director, Michael Johnson

- Mr. Johnson is a civil engineer by training and has worked in infrastructure improvement for more than 30 years. He is a licensed professional engineer and has experience in all facets of public works operations, capital planning, and stormwater and flood control.

Project Status Updates

- Construction Phase I is complete
- Inlets of concern have been replaced for child safety
- Planting will begin in the next 4-5 weeks
- Phase II is in design and will be under construction in the next 2-3 years
- The Right Tree, Right Place Program is working with several groups

Rain Check Rebate Program

- DOE Director Andrea Crooms provided an overview of the Rain Check Rebate program.
- Residents can help DOE reduce water pollution and clean local waterways by “greening” the environment around their home, business, and community through installation of small-scale improvements their property
- Program Groups: rain check rebates, stormwater stewardship grants
- Full details can be found on the attached presentation.

School Construction Update

- Met with Gilbane Construction Project Manager regarding the failure to protect run off. The plan has been updated and approved by DPIE. The meeting was successful.
- The next meeting will focus on construction updates as it relates to the targeted occupancy of the school.

Parking Lot/Ideas

- DOE will be reaching out for interest in a resident advisory group for the Climate Implementation Plan Task Force

New Action Items

- Next meeting October 19, 2022
