

PRINCE GEORGE'S COUNTY
DEPARTMENT OF ENVIRONMENTAL RESOURCES

BULLETIN 2004-4

SUBJECT: April 2004 Cycle of Amendments

PURPOSE: Announcing the acceptance of applications for the April 2004 Cycle of Amendments to the 2001 Water and Sewer Plan and revised applications

It is time to submit applications for the April 2004 Legislative Cycle of Amendments. This is the first legislative cycle for amendments to the 2001 Water and Sewer Plan this year. The Department of Environmental Resources, Programs and Planning Division, has been busy revising its application processes to better serve you. Our revised application, DER Form 2.01 Apr 04 Version, is now available on the website, replacing all previous versions. It can be found at:

www.co.pg.md.us/Government/AgencyIndex/DER/PPD/DevServices/infrastructure

Please note the following changes to the application:

- For residential units, minimum "floor area" is now "livable space." A definition of livable space is provided on the application;
- Under IV. Proposed Developments, a separate attachment is being requested to describe the proposal and its enhancement of the surrounding community;
- Under V. Land Development, questions relating to the 2002 General Plan have been revised, and,
- A reminder to disclose legal residences, corporate and business addresses is included.

The revised application will be required for the April 2004 Cycle submissions. Please take a moment to read the instruction sheet and review the application. Should you have any questions or require further clarification, please feel free to contact Shirley A. Branch, Water and Sewer Plan Coordinator, at (301) 883-5108. We look forward to working with you in support of "Gorgeous Prince George's."

A handwritten signature in black ink, appearing to read "Donna M.P. Wilson".

Donna M.P. Wilson, Esq.
