The Budget in Brief provides an overview of the County’s approved fiscal plan for FY 2024. This document consists of highlights and summarized data of the operating budget, capital budget and six-year capital improvement program. This document can be used as a quick reference guide. More detailed information on the budget is available on the County’s website ([Budgets | Prince George’s County, MD \(princegeorgescountymd.gov\)](https://www.princegeorgescountymd.gov/budgets)).

Prince George’s County operates on an annual budget cycle that begins on July 1st and ends on June 30th. The County Executive proposes an operating budget and six-year capital improvement program by March 15th of each year. The County Council must approve and adopt both budgets by June 1st of each year.

Operating Budget Overview

The FY 2024 approved budget reflects adherence to the County's strategic policy of building a stronger financial foundation as well as making critical investments as we chart a path forward. This budget maintains our proven strategy of a prioritized focus on education, providing safe neighborhoods, economic development and improving the quality of life for County residents. Over the past year, the government has focused on reinvesting in government operations with these objectives as the foundation. The fiscal plan soundly invests in improving the delivery of critical core government services. The approved FY 2024 budget for all funds is \$5.41 billion, an increase of \$329.7 million or 6.5% over the FY 2023 budget.

Highlights of the FY 2024 budget include:

- The approved budget includes \$2.80 billion in funding for the Board of Education. This reflects an increase of \$169.8 million or 6.5% over the FY 2023 budget. The approved budget supports employee compensation negotiated commitments; continued support of universal pre-kindergarten; program continuation of Immersion, Special Education Early Childhood Center expansion; as well as additional Student Based Budgeting resources at the school level.
- Funding for various health and public safety initiatives including:
 - Three new Community Developer positions to support the Local Behavioral Health Authority.
 - Public safety investments including resources for 120 new police officer recruits as well as reallocated positions for the 21st Century Community Policing Initiative.
 - Six additional Assistant State's Attorneys to help combat violent crime.
 - Funding for the purchase of additional body worn cameras for public safety agencies.
 - Support for public safety promotional exams and an additional \$500,000 for mental health/ psychological exams as required by the Maryland Public Accountability Law Act of 2021.
 - A new Assistant Sheriff for the new Bureau of Professional Accountability.
 - Funding totaling \$1.2 million is provided for reinforcing efforts to provide safe housing for survivors of domestic violence and human trafficking.
 - A new Community Developer position is funded for continued support of the Food Equity and Food Insecurity Task Force as well as funding is provided for the Maryland Money Market Double Value Coupon Program.
 - Increased support for the Summer Youth Enrichment Program (SYEP) to ensure job opportunities for County youth.

Budget at a Glance – All Funds Summary

The approved FY 2024 budget for all funds is \$5.41 billion, an increase of \$329.7 million or 6.5% over the FY 2023 budget.

The General Fund budget accounts for approximately 83.5% of all spending and totals \$4.51 billion. This is an increase of \$287.0 million or 6.8% over the FY 2023 budget. The growth is primarily due to increases in outside aid for the Board of Education, property, and income tax collections.

Grant Program Funds comprise the second largest fund in the FY 2024 approved budget and totals \$276.3 million. Funding increases \$18.7 million or 7.2% over the FY 2023 budget. Grant funds reflect 5.1% of total FY 2024 spending.

Special Revenue Funds account for the third largest share of spending in FY 2024, with spending totaling \$275.4 million or -1.5% under the FY 2023 budget. Special Revenue Funds include the Debt Service, Drug Enforcement and Education, Transportation Services Improvement, Economic Development Incentive, and other agency-managed funds. This funding comprises 5.1% of the total FY 2024 budget.

Enterprise Funds account for the fourth largest share of spending in FY 2024, with spending totaling \$269.4 million or 10.0% over the FY 2023 budget. Enterprise funds include Solid Waste Management, Stormwater Management and Local Watershed Protection and Restoration funds. This fund accounts for 5.0% of total spending.

Internal Service Funds account for the remaining 1.4% of the budget. In FY 2024, the approved budget of this fund totals \$73.6 million. This is an increase of \$3.7 million or 5.2% over the FY 2023 budget.

General Fund Revenues

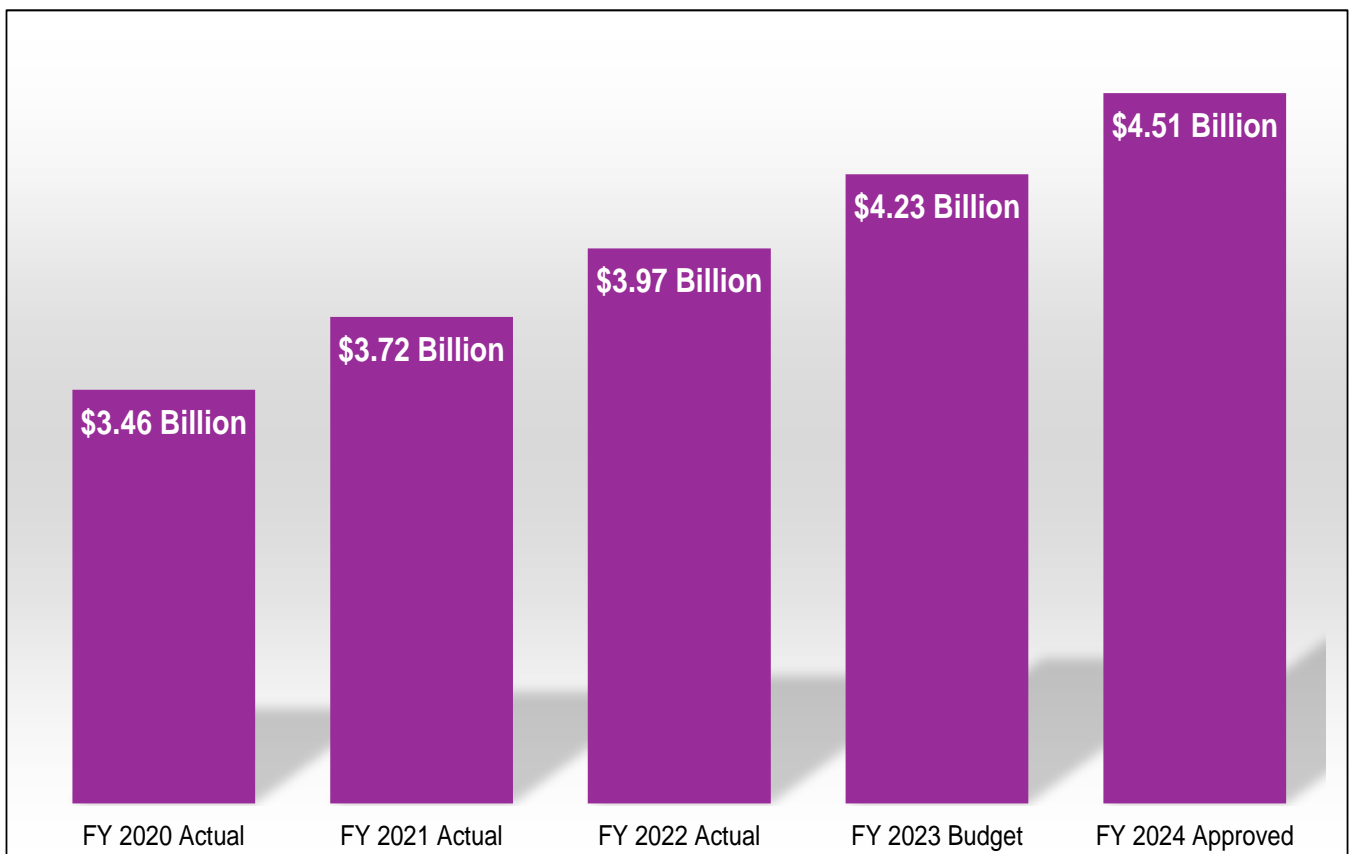

General Fund revenues in the FY 2024 approved budget are \$4.51 billion, an increase of \$287.0 million or 6.8% over the FY 2023 budget. The increase is primarily due to expected growth in property taxes, income disparity grant revenue, outside aid for the Board of Education and use of fund balance.

County-sourced revenues comprise \$2.56 billion or 56.8% of total General Fund revenues. This includes taxes, fees, licenses and permits, service charges, intergovernmental revenues, gaming receipts and other miscellaneous fees collected. These revenues are used to fund government programs and services. County-sourced revenues increase \$211.4 million or 9.0% over the FY 2023 budget.

Outside source revenues account for \$1.95 billion or 43.2% of total General Fund revenues. These revenues increase \$75.6 million or 4.0% in FY 2024. This includes State Aid and other revenues (e.g., federal aid, fees, charges, tuition) generated by the Board of Education, Community College, and Library.

The chart below details the growth in General Fund revenues from FY 2020 to FY 2024 and the following chart and table provides a more detailed breakdown of General Fund revenue sources.

Major General Fund revenue highlights include:

Property Taxes - \$1.08 billion

- Real Property Taxes (\$993.4 million) – an increase of \$41.7 million or 4.4% over the FY 2023 budget primarily due to increased assessments less any adjustments made to factor in reductions such as the homestead tax credit, municipal tax differential and tax increment financing (TIF) revenues. Additionally, the projection factors in an anticipated \$11.8 million of revenues to be generated from MGM National Harbor.
- Personal Property Taxes (\$89.2 million) – an increase of \$9.3 million or 11.6% based on the assessable base compiled by the State Department of Assessments and Taxation. The projection includes anticipated revenue of \$0.9 million from MGM National Harbor.

Income Taxes - \$875.7 million

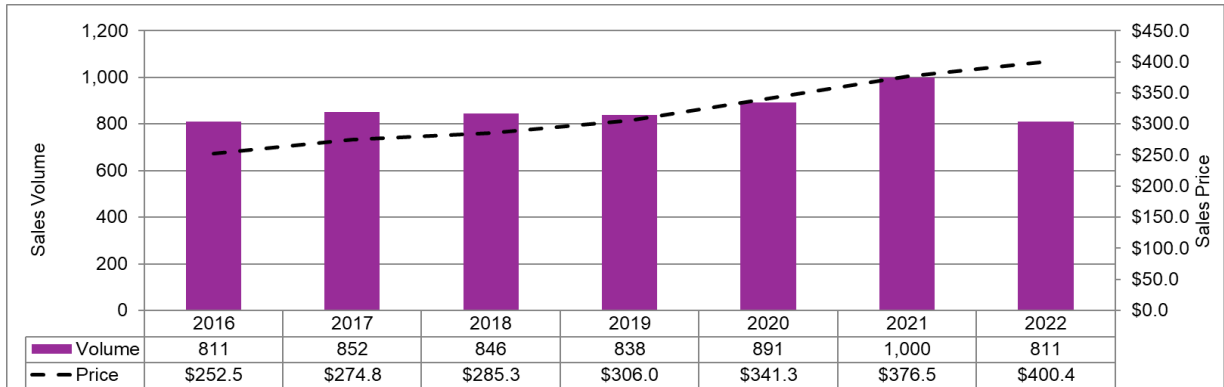

- Income Taxes (\$777.2 million) – an increase of \$0.2 million or 0.03% over the FY 2023 budget. The end of pandemic aid, which artificially increased revenue in fiscal 2021 and 2022, and stock market losses in Calendar Year 2022 have reduced current year income tax collections. The FY 2024 approved budget anticipates that attainment will remain relatively flat.
- Income Disparity Grant (\$98.5 million) – an increase of \$54.8 million or 125.3% above the FY 2023 level. This grant is provided to counties where the per capita local income tax revenue falls below 75% of the State average. The Comptroller revised calendar year 2022 net taxable income in January 2023 due to a high number of late returns; this typically indicates high levels of capital gains and resulted in a greater disparity in per capita income tax levels.

Transfer and Recordation Taxes - \$204.6 million

- Transfer Taxes (\$152.1 million) – an increase of \$8.1 million or 5.7% in FY 2024. When mortgage rates rose, the County reduced its FY 2023 revenue estimate on the expectation of lower sales. Home sales did drop, but the constrained inventory has kept the median price in the range of \$400,000. The FY 2024 forecast assumes price growth due to low inventory. All transfer tax revenue is dedicated to the Board of Education.
- Recordation Taxes (\$52.4 million) – an increase of \$9.2 million or 21.4% above the FY 2023 approved budget level. The prior year budget is understated based on year-to-date attainment. Legislation passed in 2021 allocates the greater of \$10.0 million or 20% of the recordation tax to the Housing Investment Trust Fund. For FY 2024 this allocation is estimated at \$13.1 million.

In calendar year 2022 the median home sales price increased by 6.4% to \$400,400. Higher mortgage interest rates caused the volume of home sales to decrease by -18.9% during that same period. The chart below shows the median home sales prices and volume from calendar year 2016 through 2022.

Prince George’s County Median Sales Price and Sales Volume

Source: Metropolitan Regional Information System

Energy Taxes - \$88.3 million

- Energy Taxes (\$88.3 million) – an increase of \$14.4 million or 19.5% in FY 2024 based on higher rates which are developed using actual consumption. All collections are dedicated to the Board of Education.

Telecommunications Taxes - \$12.2 million

- Telecommunications Taxes (\$12.2 million) – remains at the FY 2023 funding level. The sales tax revenue from this source is significantly lower than when it was originally adopted because of changes in the telecommunications industry (e.g., data plans, Internet calling, and pre-paid cards all reduce revenue to this source). Up to 10% of the proceeds support school renovation and systemic replacement projects, and the remaining 90% supports operating expenses of the Board of Education.

Other Local Taxes - \$24.6 million

- Admissions and Amusement Taxes (\$11.7 million) – an increase of \$0.2 million over FY 2023 based on year-to-date collections. The approved budget includes \$1.6 million of anticipated revenue from the MGM National Harbor.
- Hotel-Motel Taxes (\$9.3 million) – an increase of \$0.6 million or 6.5% above the FY 2023 budget based on year-to-date collections. The budget includes \$1.3 million which is anticipated to be generated from the hotels at the MGM National Harbor.
- Penalties and Interest on Property Taxes and Other (\$3.5 million) – increase by \$0.1 million or 2.9% based on higher-than-expected attainment in the FY 2022 budget.

State Shared Taxes - \$9.7 million

- Highway User Revenues (\$8.7 million) – an increase of \$1.5 million or 20.5% over the FY 2023 budget. Chapter 240 of the Acts of Maryland of 2022 (HB 1187) increased the local share of transportation revenues from the State Transportation Trust Fund. Highway user revenues are restricted State monies and can be only used to construct or maintain roads, including the payment of debt service for road construction projects.
- Transfer Taxes on Corporate Assets (\$1.0 million) – an increase of \$0.2 million or 25.0% above FY 2023. The forecast was increased based on FY 2022 actual revenue.

Licenses and Permits - \$81.1 million

- Licenses and Permits (\$45.0 million) – an increase of \$5.3 million or 13.5% above FY 2023. The growth is primarily in building and grading permits based on FY 2022 actual revenue.
- Gaming Revenues – (\$36.1 million) – the FY 2024 budget includes \$17.1 million of video lottery terminal (VLT) revenues and \$19.0 million of anticipated table game revenues generated from the tables at the MGM National Harbor.

Use of Money and Property - \$10.9 million

- Interest Income (\$8.0 million) – interest income has increased because the Federal Reserve Board has raised rates 10 times since the spring of 2022. The approved budget assumes interest income in line with current year attainment.
- Property Rental (\$2.5 million) – revenue is projected to be level funded relative to FY 2023.
- Commissions and Charges (\$0.3 million) – a decrease of -\$25,000 based on actual FY 2022 revenue.

Charges for Services - \$69.7 million

- Charges for Services (\$69.7 million) – increase \$0.9 million or 1.3% in FY 2024, Health fees and cable franchise fees decline by a combined -\$4.1 million based on actual revenue received in FY 2022 offset by the annualization of the 9-1-1 fee increase and improving collections by the Office of the Sheriff.

Intergovernmental Revenues - \$36.3 million

- State (\$32.5 million) – a decrease of -\$2.8 million or -7.9% below FY 2023. The Governor had included one-time enhancement funds in the FY 2023 budget, but the level was overstated because a portion is required to be distributed to municipalities. The new Governor provided the enhanced funding in the budget for a second time. State law changes to the Health Formula provided an increased \$0.9 million to the County. The State budget includes a \$9.6 million Teacher Retirement Supplemental Grant to partially offset the impact of teachers' pension costs.
- Federal and Local (\$3.8 million) – collections are anticipated to decrease -\$216,900 based on the Memorandum of Understanding with the Maryland-National Capital Park and Planning Commission for cost recovery of County services.

Miscellaneous - \$9.8 million

- Fines and Forfeitures (\$8.0 million) – a decrease of -\$0.3 million or -3.6% below FY 2023. Most of this revenue source is from the red-light and automatic speed enforcement programs, which over the long-term have decreased as driver behavior changes.
- Miscellaneous (\$1.8 million) – An increase of \$0.3 million or 18.0% based on current year collections.

Other Financing Sources - \$56.7 million

- The FY 2024 approved budget includes \$56.7 million in the Use of Fund Balance. Of this, \$15.0 million is for one-time purposes, including \$6 million allocated for two programs to support small and local businesses and \$4 million for various capital projects including the Suitland Manor (\$314,000), Glenarden Apartments (\$686,000) and the new Office of Information Technology capital (\$3 million) projects. Additionally, this funding supports debt service payments (\$4.0 million) for the University of Maryland Medical System, \$950,000 for the purchase of body cameras for public safety staff and \$56,400 for the replacement of the County's trade show booth.

Outside Sources - \$1.95 billion

- Board of Education (\$1.86 billion) – an increase of \$73.8 million or 4.1% over the FY 2023 budget. State Aid increases \$181.7 million over the FY 2023 budget level. Federal sources decrease by -\$71.9 million below the FY 2023 level. Other revenues include the Board's own sources and use of fund balance.
- Community College (\$85.1 million) – an increase of \$2.2 million or 2.6% above the FY 2023 level. State Aid grows by \$2.6 million based on an increase in State funding for four-year public colleges and universities, as well as the State aid formula. Tuition and fees increase above the FY 2023 budget. Other revenues including the use of the College's fund balance also decrease.
- Library (\$9.6 million) – a decrease of -\$0.4 million or -3.8% below the FY 2023 level. State Aid increases by 0.3% based on the formula. The library expects to decrease use of its fund balance in FY 2024.

General Fund Expenditures

General Fund expenditures in the FY 2024 approved budget are \$4.51 billion, an increase of \$287.0 million or 6.8% over the FY 2023 budget. The hallmark of the budget continues to make strategic investments in education, public safety, health, and human services agencies. Approximately 81.7% of the County’s budget supports K-12 education and public safety costs. Funding for the Board of Education comprises the largest portion of the County’s budget at 62.0%. In FY 2024, public safety agencies are allocated \$886.0 million or 19.6% of the total budget. The remaining 18.3% of the budget supports debt service costs and the general operations of the government.

Education

The strength of the education system in Prince George's County is anchored by the progress being made by our public schools, capped by our award-winning community college, and tied together by the myriad of programs and learning opportunities of our library system. These three components continue to work together to set the foundation that is making Prince George's County more appealing to residents, visitors, and businesses. The FY 2024 Approved Budget invests \$2.97 billion in our collective education efforts, which is an increase of \$177.2 million or 6.3% over the FY 2023 budget. This funding accounts for 65.8% of total General Fund expenditures for the Board of Education (BOE), Community College and Library.

The FY 2024 approved budget includes \$2.80 billion in funding for the Prince George's County Public School System (PGCPS), an increase of \$169.8 million or 6.5% over the FY 2023 budget. The County's contribution totals \$943.1 million and represents an increase of \$96.1 million or 11.3% over FY 2023 and meets the minimum local share required by the State.

In FY 2024, PGCPS will continue to implement its efforts through five strategic areas of focus which include (1) Academic Excellence, (2) High Performing Workforce, (3) Safe and Supportive Schools, (4) Family and Community Engagement, and (5) Organizational Effectiveness. Under these focus areas and in alignment with Kirwan Commission Policy Recommendations, the approved budget reflects employee compensation negotiated commitments, health insurance increases, pass through funding for P3/Alternative Construction Financing projects, continued support of universal pre-kindergarten, program continuation of Immersion Schools and other academic programs along with the reallocation of existing resources.

In FY 2024, funding supports various expenditure categories for mandatory costs of doing business including employee compensation negotiated commitments; pass through funding for P3/Alternative Construction Financing projects; lease purchase agreements for buses and textbooks; continued support of universal pre-kindergarten; program continuation of Immersion, Special Education Early Childhood Center expansion; instructional technology school based support; additional video lottery terminal (VLT) funding for the Crossland High School program as well as additional Student Based Budgeting resources at the school level.

The County will also make significant investments in several school construction projects with the FY 2024 capital budget totaling \$161.8 million. Funding is allocated for various projects including the Suitland High School Annex replacement, High Point High School, New Northern Adelphi Area High School, Stand-Alone classrooms, as well as various major repair and systemic replacement projects.

Economic Development

The success of the County will be measured by its ability to grow the local economy. In 2012, the County launched the Economic Development Incentive (EDI) Fund with an investment of \$50.0 million in conditional and conventional loans to attract and retain businesses. To date, the County has awarded \$45.7 million in EDI funding for 62 projects. This investment has created 8,165 County jobs and retained 6,148. Cumulatively, the EDI funding has leveraged over \$1.33 billion dollars in total project investment in the County. The approved budget for FY 2024 includes \$9.0 million from the EDI fund to continue investments and economic growth in the County.

The FY 2024 budget continues to provide General Fund operating support for the County's economic development agencies totaling \$10.2 million for the Economic Development Corporation, Financial Services Corporation, Experience Prince George's, Employ Prince George's, the Arts and Humanities Council and the Redevelopment Authority. Additionally, \$6 million is provided for two programs to support small and local businesses including the Local Business Assistance Program (\$ 3 million) and the Surety Bond Program (\$3 million).

The Department of Housing and Community Development (DHCD) will continue to implement various programs through the General Fund and Housing Investment Trust Fund (HITF) in FY 2024. The DHCD General Fund budget includes funding to support implementation of the comprehensive housing strategy affordable housing plan as well as the affordable housing public awareness campaign and monitoring dashboard. Grant resources will support the County's affordable housing production goals by funding new affordable multi-family rental projects through the HOME Investment Partnership program and HIFT. Additionally, the approved budget for the HITF includes \$15.7 million to support the Workforce Housing Gap Financing Program. The program enables the County to develop viable, mixed income communities of choice by providing gap financing for the development of decent and quality workforce housing for income eligible households.

In addition, the Non-Departmental budget includes a \$1.0 million PAYGO transfer to the Redevelopment Authority's (RDA) capital budget to support the Glenarden Apartments and the Suitland Manor redevelopment projects. The RDA will also continue funding for community-based programs including the Commercial Revitalization program which will provide matching grants to revitalize older shopping centers.

The Department of Permitting, Inspections, and Enforcement will continue the implementation of the Permitting, Inspections, and Site Road modules to digitize processes and reduce the amount of time between residential and commercial permit application and issuance. Increased resources will support ten additional positions in permit processing and property inspections.

Quality of Life and Beautification

The County seeks to instill a sense of pride in all residents by developing a countywide anti-littering campaign as part of the overall Beautification Initiative. This campaign supports enforcement, infrastructure, and policy changes. The Initiative promotes pride throughout the County and encourages residents, visitors, and businesses to protect and preserve the environment. The County remains dedicated to improving the quality of the environment and ensuring the sustainability of resources for future residents.

In FY 2024, the County continues its investment into various environmental programs to improve quality of life and support federal and State mandates. Funding for the Local Watershed Protection and Restoration, Stormwater and Solid Waste Management Enterprise Funds total a collective investment of \$269.4 million, an increase of \$24.5 million or 10.0% above the FY 2023 budget.

- The Solid Waste Management Fund totals \$135.5 million, an increase of \$8.4 million or 6.6% over the FY 2023 budget. Funding is provided to support the enhanced bulky trash collection program to address community concerns of illegal dumping and continuing our efforts toward keeping our County clean. The Clear the Curb Initiative offers County residents a free, wheeled trash, recycling, and organics cart to help ensure items are properly disposed. Prince George's County is providing faster and improved curbside bulky trash collection pickup that will allow residents to set out two items per week with their regular trash for pickup. The FY 2024 capital budget continues funding dedicated to for the design of the landfill area C in-fill project, replacement of the landfill gas pipeline and improvements at the landfill, Materials Recycling and Organic Composting facilities.
- The Department of the Environment's Solid Waste Fund budget also includes funding for the purchase of additional Big Belly trash receptacles, composting, waste and recycling carts, high-definition cameras to combat illegal dumping and continued support for the anti-litter marketing campaign. This is all funding dedicated to improving the health of the environment and aesthetics of our communities.
- The Prince George's Clean Lot program has funding of \$2.5 million to address violations concerning high grass and weeds, as well as trash, debris and unlicensed, wrecked, dismantled or inoperable vehicles on vacant properties not located within an incorporated area (municipality). The goal of the program is to improve the appearance and health of County neighborhoods through various beautification and litter reduction program activities.

- The \$21.5 million approved General Fund budget for the Department of Public Works and Transportation (DPW&T) includes funding to provide operating enhancements for expanded Beautification Initiatives including litter removal collections, street sweeping, roadside mowing, and landscaping; the Clean Lot Program and snow removal services; the Vision Zero traffic safety initiative; and for TheBus transit services.
- In FY 2024, the Stormwater Management Fund budget totals \$113.2 million, an increase of \$16.0 million or 16.5% over the FY 2023 budget. This fund supports costs for a wide variety of beneficial water quality programs such as the plans, designs, and construction of flood protection and drainage improvements that are a severe threat to residential and habitual structures. Funding is also available to support the Climate Action Plan, beautification and litter reduction efforts and the National Pollutant Discharge Elimination System/Municipal Separate Storm Sewer System (NPDES/MS4) permit. Funding is provided for six new positions in support of the Climate Action Plan (Three Planner positions including one dedicated to grant writing) and the NPDES/MS4 requirements (Two Planners and one Construction Standards Inspector).
- The Capital Improvement Plan totals \$141.5 million for the Stormwater Management program; \$18.1 million of this is funding for the Flood Protection and Drainage program which includes \$1.5 million in American Rescue Plan (ARP) funding.
- The Local Watershed Protection and Restoration Fund totals \$20.7 million, a decrease of -\$10,200 or -0.05% under the FY 2023 budget. The Department of the Environment continues to use its model public-private partnership to meet the compliance mandates for retrofitting impervious surfaces. This fund supports the requirements to meet federal mandates for impervious area restoration through retrofit, stormwater controls and mandated rebate programs intended to improve water quality in the Chesapeake Bay.

Over the next two decades, the County will invest approximately \$1.1 billion to improve water quality for our communities. The Department of the Environment will lead this effort in conjunction with the Department of Public Works and Transportation.

Healthy Communities

Another hallmark of a nationally recognized thriving jurisdiction is a healthy community that provides excellent care for all its citizens and supports, protects, and uplifts its most vulnerable. The FY 2024 General Fund support for the health and human service agencies totals \$52.5 million, an increase of \$6.0 million or 13.1% over the FY 2023 budget.

Major highlights in the Health and Human Services agency budgets include:

Health Department

- \$35.3 million in General Fund spending in FY 2024 shows an increase of \$2.6 million or 8.0% over the FY 2023 budget. Funding supports efforts at Langley Park for interventions in the Spanish speaking community to help with the lack of access to resources and support. Funding also supports the addition of three new Community Developers to support the Local Behavioral Health Authority. The Capital Improvement Plan total totals \$8.8 million, with \$7.5 million dedicated to the renovation and equipping of the new Health Center (Cheverly Replacement Building).

Department of Family Services

- \$7.4 million in General Fund spending in FY 2024 is an increase of \$370,100 or 5.2% over the FY 2023 budget. Funding is provided to increase access to intervention programs and services for at-risk youth and families via the administration of disconnected youth, childhood hunger and home visiting programs. Funding totaling \$1.2 million is provided for reinforcing efforts to provide safe housing for survivors of domestic violence and human trafficking.

Department of Social Services

- \$9.7 million in General Fund spending in FY 2024 represents an increase of \$3.1 million or 46.6% over the FY 2023 budget. Funding is available for the Warm Night Shelter for day-to-day operations and resident services on a 24/7 basis. Funding continues for the Food Distribution Equity Coordinator, food pantries and farmer's markets.

Non-Departmental

- \$4.6 million supports county service providers who assist individuals with developmental disabilities.
- \$10.0 million is allocated for grants to community organizations through various grant programs.

Youth Development

In FY 2024, the budget includes \$2.5 million for the Summer Youth Enrichment Program (SYEP). Summer jobs for youth ages 14-22 will be created. Funding includes the job readiness program which will enhance the work environment experience for young people.

High Performance Government

A high performing government is essential to ensure effective service delivery while meeting the needs of County residents. The FY 2024 Approved Budget includes funding to support the onboarding of sworn personnel, supports the maintenance of the County's enterprise systems and makes important changes to the physical footprint of the government. General government agencies as a group experience a \$10.6 million or a 9.0% increase over the FY 2023 budget (outside of Internal Service Funds).

Highlights in the FY 2024 budget include:

- Resources are allocated to the Office of Community Relations to continue to support the 3-1-1 On the Go program customer service request system to ensure the County is responsive and supportive of its residents. Funding will be provided for operating contracts to support consulting services for PGC311.
- Funding continues for the Police Accountability Board (PAB) and Administrative Charging Committee (ACC) in FY 2024. Resources totaling \$1.2 million is provided to the PAB, while the ACC is allocated \$1.1 million in funding to support stipends for the Administrative Hearing Board, legal services, and staff support.
- The Office of Finance will add a new Systems Analyst for implementing the new Treasury system and two new part time Account Clerks for the new Elderly Property Tax Credit.
- The Office of Information and Technology budget includes funding to help push automation forward within the County. Funding also supports increased cybersecurity protections as County employees continue to work remotely. The CIP budget includes \$3.0 million to support countywide IT initiatives for County priorities.
- The Office of Human Resources has allocated \$2.0 million for Public Safety promotional exams and an additional \$500,000 for mental health/psychological exams as required by the Maryland Police Accountability Law Act of 2021.
- The Department of Environment is funding five additional positions for the Animal Management Services to provide staffing to improve operations efficiencies for customer service and kennel management.
- Funding totaling \$400,000 is provided in the Non-Departmental budget for the Fair Election Fund as established by CB-99-2018.
- Funding to is provided to the Office of Central Services for continued outreach to County-based businesses to provide current and prospective vendors with technical assistance as well as the recruitment of diverse businesses to the County. Additionally, increased funding is allocated to support two new CIP project managers and a new Deputy Director for the Contracts and Procurement division.
