The Prince George's County Fiscal Year (FY) 2026–2030 Consolidated Plan for Housing and Community Development is a strategic plan that identifies the federal, state and local resources expected to be available to the County for the next five years and the institutional structure in which the Consolidated Plan will be implemented.

The Consolidated Plan outlines measures to improve housing opportunities by creating and preserving affordable housing, increase economic development, prevent homelessness, reduce the hazards of lead-based paint, address the needs of public housing, present an anti-poverty strategy, invest in public services, and meet the needs of persons with special needs. Further, the Consolidated Plan estimates the amount of federal entitlement funds projected for proposed housing and community development activities in order to achieve the goals and carry out the objectives over a five-year period. Specifically, Prince George's County is the recipient of funds under three federal entitlement programs covered by the Consolidated Plan, including the Community Development Block Grant (CDBG) Program, HOME Investment Partnerships (HOME) Program, and the Emergency Solutions Grant (ESG) Program.
