# A B O U T MEDICARE

Medicare coverage—should you enroll? In a word, yes.

When a retiree turns age 65, they must enroll in Medicare Parts A and B through the Social Security Administration, if eligible.

They can enroll in one of the Medicare medical plans offered by the County, via a Retiree Enrollment/Change Form (available on page 25 of this guide and on the Benefits Administration Webpage Benefits | Prince George's County).

This also applies to individuals who are eligible to receive disability benefits from the Social Security Administration (SSA).

Coverage provided through the County for medicareeligible participants supplements Medicare Part A and Part B. You must elect one of the County's supplemental medical plans:

- Kaiser Permanente Medicare Advantage Plan
- Cigna Open Access Plus In-Network (Cigna HMO)
- Cigna Open Access Plus (Cigna PPO)

Medicare will become the primary payer of medical claims and the supplemental plan will act as the secondary payer.

### Kaiser Permanente Medicare Advantage Plan

- Offers medical, hospital, and prescription benefits.
- Kaiser will review the enrollment form and, if accepted, will notify the retiree.
- If you elect the Kaiser Permanente Medicare Advantage Plan, you must discontinue enrollment in the County's prescription plan.
- If not accepted, the retiree can still receive the reduced rate for medical coverage.

### Cigna Open Access Plus (HMO and PPO) Plans

- Offers the same plans and coverage as non-Medicare employees & retirees, but at reduced rates.
- No approvals needed

### **Split Eligibility**

If you are eligible for Medicare and one of your dependents is not (or vice versa) you must maintain the appropriate coverage level and the senior premium rates will not apply until you remove any additional dependents. If this applies to you, contact the OHRM Benefits Division at **301-883-6380**.

### What You Need To Do

- To enroll in Medicare, contact the Social Security Administration three months before you and/or your spouse turn age 65.
- Complete an Enrollment/Change Form to enroll in one of the County's supplemental medical plans.
- Submit the form(s) with a copy of your Medicare card showing enrollment in Part A and Part B to the OHRM Benefits Division:

Email: Benefits@co.pg.md.us

Fax: 301-883-6192

If you do not enroll in Medicare Part A and B (if eligible), your coverage in the County's medical plan(s) will be discontinued.

If you enroll in a Medicare Part D prescription plan outside of the County, your coverage in the County's prescription plan will be discontinued.

# 365

# MEDICARE PRESCRIPTION COVERAGE

### MEDICARE PRESCRIPTION COVERAGE

The County offers a Medicare Part D Prescription
Drug plan through Express Scripts for retirees in a
Medicare Part A & B Medical plan that does not provide
prescription coverage.

The Medicare Part D plan offers:

- Purchase up to a 90- day supply of maintenance medications (medications that treat ongoing conditions) either at the retail or mail-order pharmacy.
- Mandatory generic requirement does not apply. Therefore, if a brand name medication has a generic alternative, you can get the brand name medication without penalty.
- You may qualify for "extra help" from the federal government to assist with your prescription plan premium and co-payments.

If a retiree selects the Kaiser Advantage Medicare Plan, Medicare Part D prescription drugs are covered, and current enrollment in the County's prescription plan will be terminated.

If a retiree selects a Cigna Plan (which does not provide prescription drug coverage) the OHRM Benefits Division will automatically enroll them in the Medicare Part D plan, if currently enrolled in the county's prescription plan.

Note that the Medicare Part D plan and Supplemental CIGNA Medical plan enrollments are independent of each other, and may not take effect on the same date.

- If a retiree is enrolled in the Non-Medicare Prescription Drug Plan, they will remain enrolled until the County enrolls you in the Medicare Part D Plan. The OHRM Benefits Division and Express Scripts will provide retirees with additional information regarding enrollment in the Medicare Part D plan.
- The Low-Income Subsidy (LIS) helps people with Medicare cover the costs for prescription drugs. To qualify, a retiree must be receiving Medicare, have limited resources and income, and reside in one of the 50 States or the District of Columbia.

**NOTE:** Medicare does impose an additional Part D premium for high wage earners, which is paid directly to Social Security. This requirement is known as the Part D Income Related Monthly Adjustment Amount (IRMAA). Social Security will notify you if this requirement applies to you.

# DRUG BENEFITS

Express Scripts, Inc (ESI) provides coverage through a nationwide network of pharmacies.

### **MANDATORY GENERICS**

With the Non-Medicare Prescription Drug Plan, you can receive your prescriptions at a retail or mail order pharmacy.

# MAJOR COST SHIFT FOR NON-UNION RETIREES

Since 2024, the County changed the cost share amount for non-union retirees from 75% retiree share to 25% retiree share. This cost share percentage for retirees will continue in plan year 2025 to show how much the County continues to value its retirees.

### **Mandatory Generics**

If you request a brand name drug when a generic equivalent is available, you pay the difference in cost.

# SAVE ON DRUGS

The average American pays nearly \$1,200/year for prescription costs. There are ways for you to lower your prescription drug costs::

- ► Generic medications provide you with the same quality, strength, purity, and stability as the brand name but cost 80% lower, on average, than brand-name products.
- ► When you use mail order, you save on a 3-month supply delivered right to your door.
- Ask your doctor to refer to the Preferred Drug list when prescribing a new medication. These preferred drugs are generally considered to offer equal or greater therapeutic value and to be more cost-effective than the other drugs in the same drug category.

Go to **www.express-scripts.com** to review the Preferred Drug List and estimate drug costs.

# USEFUL TERMS

| Allowable Amount              | The maximum amount that a health insurance plan will pay to a health care service covered by the health insurance plan.  |
|-------------------------------|--|
| Co-Insurance                  | The cost of services is shared between the health care company and the covered employee. Co-insurance refers to a percentage of a health care cost—such as 20 percent—that the covered employee pays after meeting the deductible.   |
| Co-Payment                    | The fixed dollar amount—such as \$25 for each doctor visit—that the covered employee pays, out-of-pocket, for medical services.  |
| COBRA                         | The Consolidated Omnibus Budget Reconciliation Act (COBRA) requires covered employers to offer continuation of group health coverage to qualified employees and their dependents who lost coverage due to certain life events (i.e. divorce, separation of employment, turning age 26, etc.) |
| Covered Services              | Services deemed medically necessary for the care and treatment of an injury or illness   |
| Deductible                    | A fixed dollar amount that the covered employee must pay out of pocket each calendar year before the plan will begin reimbursing for non- preventative health expenses.  |
| Dependent                     | Any eligible person covered by the employee's benefits (spouse, child, ward, etc)  |
| Employer Contributions        | The amount an employer pays towards an employee's benefit plan on behalf of the County employees (i.e. employer contribution towards health insurance premiums).   |
| Explanation of Benefits (EOB) | Statement sent by your health insurance company to explain what medical treatments and or services were paid on your behalf. These are not bills.  |
| Formulary                     | A list of prescription drugs covered by the health plan, often structured in tiers that subsidize low-cost generics at a higher percentage than more expensive brand-name or specialty drugs.  |
| In-Network                    | Doctors, clinics, hospitals and other providers the health plan contracts with to care for its members. Health plans cover a greater share of the cost for contracted providers than for out of network providers.   |

| Out-of-network                 | A health plan will cover treatment for doctors, clinics, hospitals and other providers who are out-of-network, but covered employees will pay more out-of-pocket to use out-of-network providers than for in-network providers.   |
